## Ancillary supplies<sup>1</sup>

Gamifant is administered intravenously. When ordering Gamifant, please ensure that you have the following ancillary supplies on hand. They may also be ordered upon request from McKesson Biologics or other medical device suppliers.

- Gamma-irradiated, latex-free, polyvinyl chloride (PVC)-free syringe (20 mL or larger syringe). Do not use with ethylene oxide-sterilized syringes
- Non-PVC polyolefin infusion bag (dependent on volume needed)
- 0.9% Sodium Chloride for Injection, USP
- Intravenous line with sterile, non-pyrogenic, low-protein binding 0.2 µm in-line filter

# How to Order Gamifant

There are 2 pathways to access Gamifant. Keep in mind that your institution and the patient's insurance will dictate how Gamifant should be ordered.

**MCKESSON**  
Biologics  
Specialty Pharmacy (SP)  
Phone: 800-850-4306, option 2  
Fax: 800-823-4506

*Biologics dispenses patient-specific drug and delivers directly to pharmacy, infusion center, or other designated location within 24 hours of dispense*

Biologics assumes financial responsibility

**INPATIENT OR OUTPATIENT**

  
Patient pays out of pocket to SP

**MCKESSON**  
Plasma and Biologics Specialty Distributor  
Phone: 877-625-2566  
Fax: 888-752-7626  
[connect.mckesson.com](http://connect.mckesson.com)

*Negotiation of supplemental payment with payer: Hospital negotiates payment for costs exceeding the DRG(s)*

Hospital assumes financial responsibility

**INPATIENT**

  
Patient pays out of pocket to hospital

*Infusion center purchases drug and submits claim to payer*

Infusion center/physician practice assumes financial responsibility

**OUTPATIENT**

  
Patient pays out of pocket to infusion center/physician practice
