PATIENT AUTHORIZATION STATEMENT

My signature on this consent form authorizes my doctor(s), healthcare providers, health plan or payer, and my pharmacy to disclose to Sobi, Inc. ("Company") and its third party suppliers, vendors, and other service providers supporting Gamifant Cares (collectively, the "Service Providers") information about me (for example, my name, Social Security number, address, insurance policy number, and income) and my medical condition (for example, my diagnosis or medications) (together, "Personally Identifiable Information"). This information can include spoken or written facts about my health and insurance benefits. It can include copies of records from my healthcare providers or health plans about my health or healthcare. I understand that my healthcare providers and my pharmacy may receive remuneration, or payment, for disclosing my information pursuant to this authorization. I understand that Gamifant Cares and other Service Providers may be compensated by Sobi.

The Service Providers will use and give out my information to (i) assist in my enrollment in Gamifant Cares and to contact me and/or the person legally authorized to sign on my behalf; (ii) provide me and/or the person legally authorized to sign on my behalf with educational material and other information materials related to the Gamifant Cares offerings; (iii) verify, investigate, assist with, and coordinate my coverage for Gamifant® (emapalumab-lzsg) with my payer; (iv) coordinate prescription fulfillment; (v) assess my eligibility for the Gamifant patient assistance program (PAP), if necessary and applicable; (vi) assess my eligibility for the Nursing Support Program; and (vii) assist with analyses of the efficiencies and performance of Services provided by Service Providers.

If I am considered for the Nursing Support Program, I understand I will be contacted by a registered nurse to evaluate my eligibility. In some instances, the Service Providers may de-identify my information and use or disclose the de-identified information (in individual or aggregated form) for any legitimate business purposes. I understand that the Service Providers will make reasonable efforts to keep my information private; however, I understand that once my information has been disclosed to the Service Providers, how the Service Providers further disclose my information may no longer be protected under federal and state privacy laws.

This authorization will last for three (3) years from the date of my signature or until I am no longer receiving Gamifant or enrolled in Gamifant Cares, whichever is later. I understand that I do not have to sign this authorization, but if I do not, I will not be able to have my insurance coverage verified, have alternate sources of assistance researched, or access other support provided by or on behalf of Gamifant Cares. My choice as to whether to sign this form will not change the way my doctors, healthcare providers, or payers treat me.

If I no longer wish to participate in Gamifant Cares, I shall inform my healthcare providers and/or the administrators of Gamifant Cares in writing that I do not want them to share any more information with the Service Providers, but it will not change any actions that took place before I told them. I have the right to revoke or cancel this authorization, in writing, at any time by providing written notice to my healthcare providers and/or the administrators of Gamifant Cares. Cancellation of this authorization will be valid when received by the administrators of Gamifant Cares. I understand that a cancellation is not effective to the extent that any person or entity has already acted in reliance on my authorization. I know I have a right to see or copy the information my healthcare providers or payers have given to the Service Providers.

If I am eligible for assistance through the Gamifant PAP, I agree to allow Company and Service Providers to use my demographic information, including, but not limited to, Social Security number, date of birth, name, and/or address as needed to access my credit information and information derived from public and other sources, including information from a consumer reporting agency (credit bureau), to estimate my income in conjunction with the eligibility determination process performed in reviewing eligibility under the PAP. Company and Service Providers reserve the right to ask for additional documents and information at any time. I agree to notify my healthcare providers if I become aware in the future of changes that would affect my eligibility, including, but not limited to, changes in health insurance status or coverage, financial status, and United States residing status.

If I receive services offered through Gamifant Cares, I agree to allow Company and Service Providers to contact me via email or cell phone using the contact information provided in this enrollment form. Text messages are optional, and I can participate in the programs without signing up for text messages. When I sign up for the text messages (by providing my cell phone number), I understand that I am agreeing to the following conditions:

- Company and Service Providers are not responsible if a communication is not delivered due to technical difficulties like server issues, phone carrier outages, or discontinued service
- I can opt out at any time by replying "STOP" to the text messages
- I am aware that anyone who can open or have access to my phone might see the text messages
- If my mobile operator is not participating in text messaging services, I will not receive text messages
- I CANNOT report product complaints or adverse events (like side effects) by text message. To report these, please call Gamifant Cares at 1-833-597-6530
